(parent company is MailboxMakeovers.com)

– LED Lighting Kit Option

An industrial grade 9 LED light strip is attached to the bottom of the aluminum overhang facing downward in front of the enclosure. It is powered by a low voltage landscape transformer so the wiring is easy and safe.

- 9 LED light strip
- 60 Watt Low Voltage Transformer with photo sensor and timer settings
- Vinyl tube, conduit junction box, 30 ft of #14-2 wire, waterproof connectors
- **Price: \$300** (added shipping if sold separately)

April 2015 – Confidential, not for distribution
